

O&C Associate (m/f/d)

THE COMPANY

OTTO & COMPANY Strategy Consultants is an independent, global strategy consultancy focused on the healthcare industry. For and with our clients, we develop and implement holistic and feasible solutions for the strategic alignment and organizational repositioning of companies in a dynamic market environment.

In addition to strategic questions, such as the realignment and optimization of the business, we are also working on diverse other topics. An example would be ensuring competitiveness of our clients in the digital age. Our offices are located in Munich, Zurich, Madrid, Sao Paulo and Mexico City.

YOUR PROFILE

- Outstanding master's degree from a leading university
- First relevant practical experience in internships or as a student trainee in consulting or in the industry
- Willingness to continuously learn, analytical thinking and structured way of working
- Entrepreneurial spirit, drive and sense of responsibility
- Team player with outstanding interpersonal skills
- High commitment, international experience and willingness to travel
- Very good communication skills in German and English

WHAT WE OFFER

- We integrate you right from the start as a full team member into our company with flat hierarchies and with a common understanding of values
- We offer you to work in small teams on different challenging projects thereby providing you different development opportunities
- We are interested in supporting you in your career in the best possible way; therefore, you take on a high degree of responsibility
- We work with mentor-mentee-partnerships and cultivate an open feedback culture
- We carry out multiple teambuilding events during the year
